

Creativity of Colour

The difference with fiberglass is the range of colour – the frames are not limited to light colours. From standard to custom, select ANY colour to perfectly suit your project.

Single Colour

The same Standard or Custom colour applied to the interior and exterior of your windows.

Multicolor: Brickmould & Frame

A cost-effective solution to add a different colour to the border of your window, while leaving the frame a base colour.

Split Finish

Allows different colours to be applied to the interior and exterior of your windows.

Custom Colours

Custom Colours can be matched to any sample provided.

Interior Wood Frames

Select from Maple, Edge Grain Fir, Oak or Mahogany, perfect for retrofit applications.
